

August 3, 2009

In accordance with regulations instituted by the United States Internal Revenue Service governing the tax credits for nonbusiness energy property under Section 25C of the Internal Revenue Code, this certificate shall confirm the compliance of the following products from Black and Stone as Qualified Energy Property.

This certificate confirms the following products comply with the terms of Section 25C(d)(3)(E) as "a stove which uses the burning of biomass fuel" for heating of dwelling units when used within the dwelling unit and, further, that the thermal efficiency rating is greater than 75%.

The following products from Black and Stone, Inc. meet the above requirements:

All VioFlame Products:

VFC 1100C	VFC 3100R	VFR 210BCO	VFBURN - XL
VFC 2100C	VFC 2100F	VFR 210BRO	VFBURN - SM
VFC 2100R	VFR 210W		

Under penalty of perjury, I stipulate that I have read and understand this statement of certification and, to the best of my knowledge, the facts of this certificate are true.

Tom Owen
General Manager
